

## Instructions:

Continue spreading the Easter cheer in our neighborhood by EGGing another house!

1. Print the *We've been EGGED* page and tape it to your door.
2. Print this sheet, the *we've been egged* page, and the poem and include it in your basket.
3. Create a basket full of trinkets and/or Easter egg goodies & drop it off on another neighbor's doorstep (or leave the basket there & spread plastic eggs full of goodies out on their front yard for them to find).
4. Have fun!!
